		Secret Meadow 5 1/2" x 11 1/2"			
		Fog 12 1/2" x 5 1/2"			

TEA BREAK BOM - FPP

Paper Side | 12 in x 12 in Finished Size

Hint & Tips

- Use DecoBob 80wt for both the top and the bottom thread for flat seams.
- Suggested needle: 70/10, 80/12 microtex
- Reduce your stitch lenght to 1.8 - 2.0 mm, around 13-16 per inch. Make sure to sew on the stitching lines to have even corners.
- After adding each sections, press the unit as it was sewn to set the seam. It's important to press each seam to avoid folds, creases and puckers in the finished block.
- To match and join pattern pieces, cut the paper patterns and overlap the pieces as indicated. Once you get everything lined up perfectly, tape the pieces together.
